Here's a sneak peak of some of the fun you can expect from this exclusive tour!

Day 1 Fly from Brisbane International Airport to Norfolk Island and be met by the friendly Pinetree Tours staff for your transfer to Castaway Norfolk Island, where you will meet Sarah and Tony, owners of the property. Enjoy an Island feast of homemade bread, fresh fish and more whilst you watch the sun set from Puppy's Point.

Day 2 Embark on the Pinetree Half-Day Tour where you will see and hear about the famous Convict Buildings, beautiful beaches, the Melanesian Chapel and so much more. This afternoon is free for you to spend at your own leisure.

Day 3 Today, board Christian's Glaas Bohtom Boets (Glass Bottom Boat) and learn all about Norfolk Island's unique marine life. View beautiful coral gardens and the tropical fish that live inside the calm crystal waters of the lagoon. Enjoy lunch onboard and then dinner and a show in the evening. The Mutiny on the Bounty show brings the historic tale of the mutineers to life.

Day 4 Begin your day with a Convict Settlement Tour where you will walk through the cemetery and ruins of the New Gaol. Spend the afternoon at your leisure then enjoy dinner at one of the locals' favourite restaurants.

Day 5 Choose from a leisurely stroll or a more energetic 3.5km walk through scenic Mount Bates to Captain Cook Monument where everyone will meet atop the cliff for a delicious BBQ breakfast. The afternoon brings an Island Culture tour where you will learn the arts of woodcraft, cooking, Norfolk language and more. Enjoy dinner before a Sound and Light Show in Kingston.

Day 6 The morning is yours today – perhaps stroll down to the local markets! In the afternoon, visit the Cyclorama, a spectacular 360° panoramic painting that will make you feel as though you are witnessing the Bounty adventures first-hand. Enjoy dinner at Jolly Roger Restaurant.

Day 7 Today is perfect for any last-minute shopping or squeezing in an optional tour. Be treated to a three-course progressive meal, visiting different Norfolk Island family homes for a truly unique experience.

Day 8 Bid farewell to your newfound friends at Castaway Norfolk Island and head home to the Sunshine Coast.
